November 17, 2020

Dear Parents/Guardians:

Thank you for your continued support and flexibility during these challenging times. As we were planning to have technology to support families with our virtual and hybrid models at the beginning of the school year, it has taken longer than expected. We found the need to change from tablets to Ipads to better support families and to align with our networking system. We sincerely apologize for the delay in the receipt of technology. Teaching teams and staff will continue to support your child with materials and packets until technology is received. Also, if there are specific materials you need, please let your teaching team know. Upon receipt of the Ipads we will get them disbursed as quickly as possible.

Our goal is to provide the best educational services possible while being vigilant and responsible in regards to the health and safety of our students and staff. If you have any questions that may arise, please contact Assistant Director of Early Childhood, Sabrina Jackson at 989.752.2193 ext. 2202 or Education Manager, Stephanie Eickholt at 989.752.2193 ext. 2220.

Sincerely,

A handwritten signature in black ink that reads "Sabrina Jackson". The signature is fluid and cursive, with the first name "Sabrina" and last name "Jackson" clearly legible.

Sabrina Jackson
